

The Edmonton Education Centre: Key Information for Visitors

Getting There

By Car: The Education Centre is attached to the Edmonton Factory (site C on the map below). For satnav users, the postcode is N18 3DJ.

By Public Transport: Take the underground to Tottenham Hale (Victoria Line) and the 192 bus from outside the station (Enfield bound/10 minute journey). Get off the bus at the Tesco Superstore. It is then 5 minute walk. NB: Trains only stop at Angel Rd (overland station) during peak times.

Parking

Very limited. Unfortunately we cannot reserve spaces in the staff car park. You can park (no charge) adjacent to the factory on Nobel Rd and there are some spaces in a lay-by off the slip road from the A406.

Key Health & Safety Information

If your visit is likely to entail a factory tour, please be aware of the following rules for visitors:

- All visitors should wear suitable, covered footwear (i.e. not heels, open shoes or sandals).
- Jewellery is restricted to a wedding band, no watches or earrings (except studs). The factory tour route is on an elevated walkway overlooking the production hall. Women are therefore advised to wear suitable clothing e.g. trousers or a skirt of suitable length.
