

# Register now and download the 2016/17 Resource Pack!

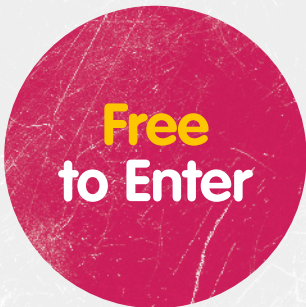

brought to you by

The Real Business Challenge is a national enterprise competition run by Coca-Cola European Partners that gives your students the chance to work on a live project with business mentors from one of the world's leading brands.

The Real Business Challenge resource pack can be downloaded now and is aimed at students who are in Year 9, Year 10, S2, or S3 over the 2016/17 academic year. It is an exciting business challenge that is linked to the curriculum and supports schools in embedding enterprise education.

The challenge is fun, free, and engaging, and it aims to help students develop a range of skills that should give them a competitive edge in today's job market.
